

— YOU ARE INVITED —

The Healers' *Grove*

Rooted in Kittitas. Growing together.

A monthly gathering of the healers who live and practice in Kittitas County — to know one another, to share what we've learned, and to witness a different healing modality demonstrated each month. Come as you are.

WHEN

Third Thursday, monthly · 6:00–8:00 PM

WHERE

A different host space each month

EACH GATHERING

A short demonstration of one healing craft

The Grove grows by invitation — if this reached your hands, someone believes you belong here. And next month, you may bring a healer you believe in.
