

Brave Plum Healing

BRAND GUIDELINES · EDITION ONE · AUGUST 2026

“A gentle space to find your way forward.”

The blossom on the twig

One plum blossom, carried on a **continuous twig**, held inside a thin ring — captured and displayed. It is the signature of everything Brave Plum makes.

RULES

- Never redraw, recolor, rotate, or stretch the mark.
- Use the supplied files only (light & dark versions).
- Clear space around it: at least half the ring's width on all sides.
- Minimum size: 24 px / 0.25 in — smaller and the petals blur.
- Light version on cream/pale grounds; dark version on plum grounds. Never on photos busier than soft greenery.

ON LIGHT

ON PLUM

Plum ground, petal light

HOW TO COMBINE

- Dark pieces: cream text (#FDE8EE) on Deep Plum; blush for small labels.
- Light pieces: Deep Plum text on Petal Cream; rose for links and buttons.
- Rose buttons always carry cream text — never rose-on-rose.
- Never: neon, pure black, pure white, gold foil looks, or yellow on purple.

A serif that breathes, a sans that whispers

HEADLINES — CORMORANT GARAMOND (OR EB GARAMOND)

A gentle space to find your way forward

Weight 400–500, generous line height, sentence case. Italic for warmth and doctrine lines.

LABELS & BODY — JOST (LIGHT)

TEAM BUILDING · WORKSHOPS · RETREATS

Small caps with wide tracking for labels; weight 300 for body. Never bold shouting, never ALL-CAPS sentences.

THE SIGNATURE — GREAT VIBES

Johnny Graf

Reserved for Johnny's name only — business cards, email signature, letters. Never for headlines or body.

Calm · Valued · Delight · Trust

Every word leaves a person feeling **calm, valued, delighted, and warmly held** — met exactly where they are, with no pressure to be anyone else. Speak to one person, kindly. Short, breathing sentences. Grounded, never woo.

ALWAYS

- Lead with the person's experience, not the offer.
- Invite: "when you're ready," "if it feels right."
- Be specific and honest about what a thing actually is.
- Plum, petals, sanctuary, seasons, coming home.
- Close with the house sign-off (below).

NEVER

- ✗ Hype, urgency, scarcity, countdowns.
- ✗ "Transform your life NOW" — or any shouting.
- ✗ Cloying emotion or emoji floods (one 🌸 is plenty).
- ✗ Medical claims or promised outcomes.
- ✗ Engagement-bait, guilt, pressure of any kind.

BEFORE ANY DRAFT SHIPS — THE QUICK TEST

- Would a tired, hopeful person exhale reading this? (*calm*)
- Does it speak to them, not at them? (*valued*)
- One small moment of warmth or beauty? (*delight*)
- Honest, zero pressure, links and service order correct? (*trust*)

If any answer is no — soften and rework.
